EPA Renovation, Repair and Paint (RRP) Program – Initial (8 hour) Lead Certification Class

Are you a contractor, property manager, maintenance personnel or homeowner working on homes in Roanoke built before 1978? If the Answer is YES, you are required to have an EPA Renovation, Repair & Paint Program Lead Certification.

Lead Safe Roanoke is offering the RRP (8 hour INITIAL) class for FREE! This class will teach you know how to properly and safely get rid of lead hazards to help kids stay safe from Lead Poisoning. **Call Lead Safe Roanoke** if you or someone you know may want to take the RRP (8 hour INITIAL) class: call 540-853-5682 or email LSRinfo@roanokeva.gov.
