

RRHA'S EnVision Center Welcomes New Onsite Partners – Lingo Staffing and the Department of Social Services.

ROANOKE, VA., MAY 6TH, 2024 – The Roanoke EnVision Center proudly announces its new partnerships with Lingo Staffing and the Department of Social Services, warmly welcoming them as invaluable onsite collaborators starting May 8th and 9th, 2024. These partnerships aim to enhance employment opportunities and provide comprehensive social support services benefitting not only the residents of the Housing Authority but also the entire Roanoke community.

The strategic partnership with Lingo Staffing marks a stride in the EnVision Center's mission to equip individuals with meaningful employment avenues. Commencing on May 8th with an initial schedule of every Wednesday from 1:00 PM to 5:00 PM, Lingo Staffing will engage directly with individuals, facilitating job placements and forging pathways to sustainable employment.

Furthermore, the EnVision Center is delighted to welcome Roanoke Department Social Services to our network of partners, beginning May 9th. Their team will be available every Thursday from 1:00 PM to 4:00 PM, equipped to offer a range of services. This includes assistance with benefit renewals, printing of benefit verification letters, providing information from cases, energy and crisis assistance, and application support for programs such as SNAP, Medicaid, and TANF, among others.

"We're thrilled to extend a warm welcome to the Department of Social Services and Lingo Staffing as valued partners joining our EnVision Center network, their collaboration with our resource center exemplifies our shared commitment to empowering our community and advancing our mission of holistic support," said Lynelle Lewis, EnVision Center Manager. "We take pride in the diverse resources we offer, not only to our RRHA residents but to anyone from our community seeking support and guidance. With the Department of Social Services and Lingo Staffing on board, our EnVision Center continues to be a beacon of hope, providing pathways to success for all who walk through our doors," she added.
